About this document

This document is designed to provide you with information about the Child Trust Fund. Please read it alongside the two-page Key Investor Information Document (KIID) relating to the Fund and the Child Trust Fund Terms. Together, these documents provide information to help you decide if this investment is right for your child, and answer some important questions.

Child Trust Funds

Child Trust Funds were introduced by the Government to make saving for your child's future easier. If your child's date of birth is between 1 September 2002 and 2 January 2011, and you were entitled to child benefit, you may have received a Child Trust Fund voucher from the Government worth at least £50. You could use this voucher to open a Child Trust Fund, your child can then access this money when they turn 18.

The value of the investment and any income can go down as well as up, and you should be aware that your child may not get back the value of your original investment.

How does the Child Trust Fund work?

The Child Trust Fund is provided by RBS Collective Investment Funds Limited (“we”, “us” and “our”). Your money will be invested in shares in the RBS Stakeholder Investment Fund, Investment Company with Variable Capital (the “Fund”). The Authorised Corporate Director of the Fund is RBS Collective Investment Funds Limited and Aviva Investors Global Services Limited is the Investment Manager and responsible for making investment management decisions in relation to the Fund.

The Child Trust Fund is designed to grow your child's money in a tax-efficient way by investing in shares in a fund (which is known as a collective investment scheme) which holds a range of assets including stocks and shares, UK Government Bonds and cash.

When the Fund's assets increase in value – or pay a dividend or interest – the value of the Fund increases and so too does the value of your child's investment. If however, those assets decrease in value, so does the value of the Fund, and therefore your child's investment.

The only person able to open a Child Trust Fund was the person with parental responsibility, known as the Registered Contact. The Registered Contact will be contacted by us to deal with the Child Trust Fund until the child reaches 16, when the child may become the Registered Contact. When the child reaches 18, they will be able to take their money out of the Child Trust Fund which results from their holding of shares in the Fund.

Any money that we hold, which is not invested in the Fund's shares, will be held in trust on behalf of the child in a bank account which is separate from the accounts in which we hold our own money. The shares which we hold on behalf of the child will be registered in the name of one or more of our nominees.

Who is a Child Trust Fund suitable for?

We do not provide advice in relation to the Child Trust Fund, however, it may be suitable for your child if:

- You are aged 16 or over and have parental responsibility for the child
- Your child was born between 1 September 2002 and 2 January 2011
- You are or were entitled to Child Benefit
- You received a Government Child Trust Fund voucher
- You understand that the value of your Child Trust Fund can fall as well as rise
- You recognise that your child could get back less than you put in

What are the risks?

As this is a stock market based investment, the value of the Child Trust Fund can go down as well as up and your child may get back less than was invested. Growth is not guaranteed and the value of your investments, and the income from them, can fall as well as rise, and you may not get back the full amount you invest.

The value of the Child Trust Fund depends on the amount invested, the performance of the Fund and the charges taken from the Fund. Past performance is no indicator of future performance.

Other risks that you need to know about are:

- The tax advantages of the Child Trust Fund may change or be withdrawn in the future by the Government;
- Contributions are locked into the Child Trust Fund and once made cannot be accessed by anyone other than the child when they reach 18;
- Inflation will reduce the buying power of your money in the future;
- Charges may change in the future;
- The CTF Provider (RBS Collective Investment Funds Limited) currently deducts an ongoing charge of 1.5% from the Fund, which is the maximum permitted. This means that the capital may be reduced over time if the Fund's growth doesn't compensate for it;
- If you make monthly payments but you do not maintain them, you may not achieve any target amount you are aiming for; and
- In the event of RBS Collective Investment Funds Limited being unable to meet its obligations (e.g. if it stops trading or becomes insolvent), you may lose some or all of your money

Before investing, you need to be certain this is the right investment for your child. If in doubt, seek advice from a Financial Adviser. For more information on risks involved please refer to the Key Investor Information document.

How to invest

To get the Child Trust Fund started, the Government provided you with a Child Trust Fund voucher. This was at least £250 per child where child benefit was first received on or before 2 August 2010. This was reduced to £50 per child where child benefit was first received after this date up to 3 January 2011.

Your options

There are a number of different ways to make additional contributions into a Child Trust Fund by you, friends or relatives. Whichever option you choose, you should be aware that once the money is invested it becomes the property of the child and cannot be withdrawn until the child reaches 18. You can invest lump sums by cheque or standing order of amounts of £10 or more. You can invest a regular monthly amount from £10 a month.

The maximum amount that can be saved each year is set by the government. A year starts on your child's birthday and runs to the day before their next birthday. For information on this year's limit please contact us using the details noted on page 6.

If you put more than the maximum amount into the Child Trust Fund in one year, the full payment will be returned to you and you will then need to put in the correct amount.

There are 3 ways in which you can make investments in the Child Trust Fund:

Online

You can manage your investment online if you live in the UK, by going to: <https://ctf.rbs.co.uk> and registering your details. Here you can invest by lump sum, make a one-off payment and change your personal details.

Telephone

If you have hearing or speech difficulties, please dial Text Relay 18001 0345 604 4500.

Our lines are open Monday to Friday 9:00am-5:30pm (excluding bank holidays). Calls may be recorded.

Cash Held

Interest will not be paid on any money held by us on your behalf that is not invested in Shares at any time.

We reserve the right not to treat any cash balances due to you as client money and make a payment to charity if they remain unclaimed for a period of over 6 years (after exhausting all attempts to contact you). We will continue to accept and process any valid claims against such money during and after this period.

Invest by transferring an existing Child Trust Fund

If you have an existing Child Trust Fund with another provider you can transfer this to RBS Collective Investment Funds Limited. You need to check with your existing provider if any charges or transfer costs will apply. You will also need to consider if the level of risk in the Child Trust Fund is right for you, as the Fund may operate a different level of risk to your existing Child Trust Fund.

There is the potential for loss of income or growth depending on the type of Child Trust Fund you hold following a rise in the markets whilst the transfer is pending.

We will provide you with a transfer application form for you to complete and return, which can be obtained by calling 0345 604 4500.

Withdrawing from the Child Trust Fund

The investment must remain in the Child Trust Fund until your child reaches the age of 18 years. Upon the child's 18th birthday, the account will cease to be a Child Trust Fund. We will write to the child before their 18th birthday to explain their options upon maturity.

The Registered Contact can access the Account on their child's behalf in certain circumstances. If your child becomes terminally ill, you must contact the HM Revenue & Customs Child Trust Fund Office who will inform you and us of their acceptance. In these circumstances, you may withdraw some or all of your child's investment by providing us with written instructions to withdraw. If you are not withdrawing the full amount of the investment the remaining value after withdrawal must be at least £10.

If your child dies, you should contact us with the death certificate. The money in the account will be paid to the child's legal representative, and will form part of their estate.

We will normally sell the shares in the Child Trust Fund no later than the next Business Day following receipt of your request to make a withdrawal. The selling price will normally be the one calculated at the next valuation point following our receipt of your instructions.

Payment of any withdrawals from the Child Trust Fund in these circumstances will be made to your chosen UK Bank or Building Society account by electronic transfer or by cheque payable to you, and this will be posted to you within five Business Days of the sale of the shares.

On rare occasions dealing in the Fund's shares may be suspended. If this happens it may delay withdrawals.

Terminating the Child Trust Fund

Your child's account will cease to be a Child Trust Fund from the date of the child's 18th birthday. On this date the shares in the Fund held in the account will pass to the child.

We reserve the right to terminate your child's investment by giving 30 days' written notice. We are obliged to terminate your child's investment immediately having given notice if it is impossible to administer it in accordance with the the Child Trust Fund Regulations 2004 (the "Regulations").

In the event that we intend to stop acting as a Child Trust Fund provider, the cash value of the investment will be transferred to another provider following the giving of 90 days' notice to you.

The Child Trust Fund will be managed in accordance with the Regulations. We will inform you if, by reason of any failure to satisfy the provisions of the Regulations, the Child Trust Fund becomes void under the Regulations.

Charges

Ongoing Charge

The Ongoing Charge is the annual operating costs of the Fund. It is the total of the annual management charge, service charges, registrar charges and other expenses relating to the management of the Fund. Please note that the Ongoing Charge may vary from year to year.

IMPORTANT: Please be aware that RBS Collective Investment Funds Limited is able to vary the charges applied, but we will inform you of any changes in advance.

Potential returns

The Child Trust Fund aims to grow the money you invest up to an 18 year period. The amount your child gets back will be determined by the value of the shares your child holds in the Fund when they reach 18.

You should remember that the amount your child gets back is not guaranteed and will be affected by factors including:

- The amount you invest and the time you allow it to grow
- The performance of the Fund
- Our charges and fees

How your child's investment is taxed

Currently, there is no need to pay any personal tax on your Child Trust Fund income or any profits the investment may make. Also, the money in the Child Trust Fund will not affect any claims for family benefit or tax credits.

Although Child Trust Funds are tax-efficient investments for individuals, the underlying Fund may have already paid such taxes as Income Tax, Corporation Tax or withholding tax where applicable.

What happens if you change your mind

Your cancellation rights applied at the time you opened the Child Trust Fund. You do not have the right to cancel an additional investment, as once the money is received, it becomes the property of the child and cannot be withdrawn.

Your questions

Q: Can I still open a Child Trust Fund?

A: No. All Child Trust Fund vouchers have now expired. You can however make additional payments into an existing Child Trust Fund.

Q: How can I see how my child's investment is performing?

A: Each year, approximately a month before your child's birthday, we'll send you a statement showing the contributions to the account and its current value.

You can also check the value of your Child Trust Fund investment at any time by calling our helpline on 0345 604 4500 or logging on to <https://ctf.rbs.co.uk>

You can also check the price of the Fund in the Financial Times, published on a daily basis, or on-line at [rbs.co.uk](https://ctf.rbs.co.uk) under Investments or by logging into <https://ctf.rbs.co.uk>

Q: How do you protect my child's personal data?

A: Any personal information obtained by us will be processed and protected in accordance with the Data Protection Act 1998. You can obtain copies of the information we hold about you by writing to: The Chief Operating Officer, SAR Team, Ground Floor, RBS Gogarburn, PO Box 1000, Edinburgh EH12 1HQ. A fee may be payable.

Q: My child already has a Child Trust Fund with another provider. Can they transfer this to RBS Collective Investment Funds Limited?

A: You can transfer an existing Child Trust Fund to RBS Collective Investment Funds Limited.

We will provide you with a transfer application form for you to complete and return. We then organise the transfer with your child's existing Child Trust Fund provider.

You are also able to transfer from RBS Collective Investment Funds Limited to another Child Trust Fund provider. However they will need to provide you with their transfer form and then once completed and returned, agree to the transfer.

We do not charge for Child Trust Fund transfers.

If you are considering transferring an existing Child Trust Fund either to or from RBS Collective Investment Funds Limited you should check and be comfortable with the following:

- The minimum you can transfer into the Child Trust Fund is £1,000
- Your existing provider may charge you a fee to transfer to the Child Trust Fund
- Consider the level of risk if this would be higher than that of your existing Child Trust Fund
- The possibility and effects of a shortfall following cancellation of the existing Child Trust Fund
- That you may lose the potential for growth or income on your child's investment if markets rise during the transfer process.

Q: Can I transfer my child's Child Trust Fund into a Junior ISA?

A: From 6 April 2015 you will be permitted to transfer your child's Child Trust Fund into a Junior ISA. To find out more about the Junior ISA, please visit <http://www.rbs.co.uk/JuniorISA>. You can transfer your child's Child Trust Fund, or a child trust fund account held with another provider, to a Royal Bank of Scotland Junior ISA. Other providers may accept transfers of your child's Royal Bank of Scotland Child Trust Fund into their Junior ISA account. Be aware that transfers are not instant and time spent non-invested during transfers will result in potential losses or gains due to market movements.

4. Valuation points

- 4.1 The Fund Manager calculates the value and price of the Shares at 12 noon on every Business Day in accordance with the OEIC Regulations and the Fund's instrument of incorporation.
- 4.2 Shares that we purchase for you will be purchased at the price calculated by the Fund Manager for that Business Day in accordance with clause 4.1 above.

5. Cash held

- 5.1 To ensure your money is protected when we hold it as cash (typically when an investment is pending or during the encashment of an investment), we hold this in a client money bank account. This bank account is held by us in trust for clients only and is separate from any account holding our own money. At all times, our records reflect the money that we hold for you and we also ensure that the bank account balances mirror those of our internal records. We check daily to ensure they remain accurate. This is in accordance with the Client Money Rules. Situations in which we might hold such money on the Account Holder's behalf include:
 - 5.1.1 where a Child Trust Fund account is transferred to us from another Child Trust Fund provider;
 - 5.1.2 where you have asked us to transfer the Account to another Child Trust Fund provider and we have sold the Shares and are holding the proceeds of sale pending its transfer to the other provider; or
 - 5.1.3 money awaiting payment out of the Account in the event of the terminal illness or death of the Account Holder.
- 5.2 Under the Client Money Rules, although the money is held separately from our own money, all money held with the same bank will be "pooled" with the money of our other customers that we hold with the same bank.
- 5.3 Interest will not be paid on any money held by us on the Account Holder's behalf that is not invested in Shares at any time.

- 5.4 We reserve the right not to treat any cash balances due to the Account Holder as client money if they remain unclaimed for a period of six years. We will continue to accept and process any valid claims against such money. After this period, the money may not be held in accordance with the Client Money Rules. We will comply with all the relevant requirements under the FCA Rules before exercising this right, which will include attempting to contact you in advance to notify you of our intention to do so.

6. How the Fund Manager holds the shares and management of accounts

- 6.1 Shares held on behalf of the Account Holder will be registered in the name of one or more of our Nominees. Although the Shares will be legally owned by the Nominee, they will be held for the Account Holder's benefit and the Nominee will have a duty to deal with them on the Account Holder's behalf. The Nominee will only accept instructions from us or our delegates. You and the Account Holder are not entitled to sell or dispose of, or transfer any interest in the Shares or use them as security or create any legal charge over them.
- 6.2 Shares held on the Account Holder's behalf may be pooled with the Shares of other account holders. This may mean that the Account Holder's entitlement may not be individually identifiable on the Fund's shareholder register. We will keep records to show that the Shares are being held on the Account Holder's behalf and do not belong to us. If there is a default by a Nominee which results in a shortfall, you and our other clients may have to share in the shortfall in proportion to the value of your investments.
- 6.3 Any certificates or other documents of title relating to the Shares will not be lent by us or the Fund Manager to third parties or used as security for borrowing.
- 6.4 When we buy or sell Shares on the Account Holder's behalf we may combine the order with orders for our other clients or our own orders.

7. Transfer of Child Trust Fund Account to another Child Trust Fund

- 7.1 You may transfer to us a Child Trust Fund account that is managed by another Child Trust Fund provider, provided the value to be transferred is at least £10. Transfers will only be accepted in the form of payment by cheque from the previous Child Trust Fund provider. Once the account has been transferred you and the Account Holder will be subject to these Terms.
- 7.2 Any distributions (including tax reclaims) received from a previous Child Trust Fund provider after the transfer to us will be accepted and used to purchase additional Shares.
- 7.3 You may transfer all of the Account to another Child Trust Fund provider who is prepared to accept the transfer. Only the cash value of the Account can be transferred. The new Child Trust Fund provider will have to provide us with your written authority for the transfer before it can take place. We do not make any charge for the transfer. The Account will be transferred to another Child Trust Fund provider on your instructions and within the time stipulated in the Regulations, which is currently 30 days.
- 7.4 It is not possible to transfer part of the Account.

8. Death

- 8.1 The Account will cease to qualify for tax exemption under the Regulations from the date of the Account Holder's death.
- 8.2 On the death of the Account Holder legal title in the Shares within the Account will be held by the Account Holder's personal representatives. We will sell the Shares in the Account by the end of the next Business Day following receipt by us of the evidence we require to make payment. The proceeds of any sale will be paid by cheque and this will be posted to the Account Holder's personal representatives within 5 Business Days of the sale. These Terms are binding on the Account Holder's personal representatives.

9. Transfer of Child Trust Fund Account to Junior ISA

- 9.1 You may transfer the funds held in the Account to a Junior ISA account, managed by us or by another Junior ISA provider, which you have opened on behalf of the Account Holder. Only the cash value of the Account can be transferred. The new Junior ISA provider will have to provide us with your written authority for the transfer before it can take place. We do not make any charge for such transfer. The Account will be transferred to the Junior ISA provider on your instructions and within the time stipulated in the Regulations.
- 9.2 It is not possible to transfer to a Junior ISA account only part of the funds held in the Account.
- 9.3 Following the transfer, we shall close the Account and issue to you a statement confirming the closing balance and the date of transfer.

10. Withdrawal

- 10.1 It is only possible to make withdrawals from the Account if the Account Holder is terminally ill. You will need to make a claim to HMRC's Child Trust Fund Office. Please contact us if you require their details. You will need to wait for HMRC to inform you and us of their acceptance of this claim before you can make such withdrawals. If HMRC accept your claim, you may withdraw some or all of the Account by providing us with written instructions to withdraw. If you are not withdrawing the full amount of the Account, the remaining value of the Account after the withdrawal must be at least £10.
- 10.2 Upon receipt of authority from HMRC and written instructions to withdraw, we will sell the Shares in respect of the Account no later than the next Business Day following receipt of your request to make a withdrawal. The selling price will normally be calculated at the next valuation point (in accordance with clause 4.1) following our receipt of your instructions in accordance with clause 23.2.
- 10.3 Payment of withdrawal monies will be made by electronic transfer to your chosen UK Bank or Building Society account or by cheque payable to you within 5 Business Days of the sale of the Shares.
- 10.4 On rare occasions dealing in the Shares may be suspended. If this happens it may delay withdrawals being taken.

11. Maturity

- 11.1 From their 16th birthday the Account Holder may choose to manage and give instructions relating to the Account themselves, failing which the Account will continue to be managed by the Registered Contact.

- 11.2 We will write to the Account Holder before their 18th birthday to explain their options upon maturity.
- 11.3 The Account will cease to be a Child Trust Fund from the date of the Account Holder's 18th birthday. On this date, the rights to give instructions and receive information in respect of the Shares, or such other assets that were held in the Child Trust Fund immediately before the Account Holder's 18th birthday, will pass to the Account Holder.

12. Closure

- 12.1 We reserve the right to close the Account by giving 30 days' prior written notice to you. We are obliged to close the Account immediately having given notice if we are of the opinion that it is impossible to administer it in accordance with the Regulations.
- 12.2 In the event that we intend to stop acting as a Child Trust Fund provider, the Account will be closed following us giving 90 days' prior written notice to you. You will be required to transfer the cash value of the Account to another Child Trust Fund provider.
- 12.3 When your Account is closed, the Shares held within it will be sold. After we have started selling your Shares we will not accept any further instructions from you concerning the Account. If any transactions were instructed prior to closure of the Account, these will be completed.
- 12.4 The Account will be managed in accordance with the Regulations. We will inform you if, by reason of any failure to satisfy the provisions of the Regulations, the Account becomes void under the Regulations. If this happens, we may deduct our unpaid charges and any tax liabilities from the Account.

13. Charges and expenses

- 13.1 The ongoing charge is the annual operating costs of the Fund. It is the total of the annual management charge, service charges, registrar charges and other expenses relating to the management of the Fund. Please note that the ongoing charge may vary from year to year.
- 13.2 When Shares are purchased or sold, the Fund Manager may impose a dilution levy in circumstances where remaining investors might otherwise be adversely affected. Further details of the dilution levy are detailed in the prospectus of the Fund.
- 13.3 We may increase or reduce the ongoing charge by giving you written notice. We will give you not less than 60 days' notice of an increase.
- 13.4 We will only increase the Ongoing Charge:
 - 13.4.1 to reflect an increase in the charges made by the Fund Manager under its agreement with the Fund; or
 - 13.4.2 to cover the management and other expenses we reasonably incur in carrying out our functions as a Child Trust Fund provider at any time when the charges made by the Fund Manager are less than the maximum permitted for a stakeholder Child Trust Fund.
- 13.5 We reserve the right to pay commission to authorised intermediaries, including Group companies, where permitted by applicable law. Such commission will be disclosed in the confirmations of investments supplied to you. This commission is paid out of our charges. Information about commission is available from us on request.

14. Income accumulation and tax reclaims

Any income arising in respect of the Shares held within the Account will automatically accumulate within the Fund and is reflected in the price of each Share. Any tax reclaims which are received from HMRC in respect of holdings of Shares will be reinvested to buy additional Shares. Tax reclaims will be reinvested once we have received monies from HMRC.

15. Taxation

- 15.1 Child Trust Funds are not currently subject to personal taxes. Any income or capital gains arising from the Account do not incur United Kingdom income or capital gains taxes. Neither the income nor any capital gains need to be declared on your or the Account Holder's tax return. Although Child Trust Funds are considered tax-efficient investments for individuals, the underlying funds may have already paid such taxes as income tax, corporation tax or withholding tax where applicable.
- 15.2 The Account complies with HMRC requirements and the Regulations. You authorise us to provide HMRC with relevant information about the Account.

16. Statements

We will send you a valuation of the Shares held in the Account based on the price calculated by the Fund Manager, together with a Statement which will show details of all transactions and holdings since the previous Statement. The valuation and Statement will be issued annually at least 30 days prior to the Account Holder's birthday.

17. Company information and voting rights in relation to the Fund

- 17.1 Copies of the Fund's annual and half yearly Managers' Reports and Prospectus and any other information issued to Fund shareholders are available on request.
- 17.2 You or the Account Holder will receive notice of any general meeting held in respect of the Fund if Shares in the Fund are held on behalf of the Account Holder seven days before the notice is sent out. You, or the Account Holder once they reach the age of 16, will be entitled to vote only if Shares are held on behalf of the Account Holder on the date of the meeting. RBS Collective Investment Funds Limited as Authorised Corporate Director is entitled to attend any general meeting in respect of the Fund but, except in relation to third party Shares, may not vote or be counted in the quorum for such a meeting and any Shares we hold will be treated as not being in issue for the purposes of the meeting.

18. Conflicts of interest

- 18.1 We are a member of the Group and will either avoid any conflicts of interest arising with other members of the Group or, where conflicts arise, will ensure fair treatment of all Group clients either by disclosure, compliance with internal rules of confidentiality, declining to act, or otherwise as we consider appropriate.
The Group will not improperly place its interests above those of its clients and, where a properly informed client would reasonably expect that the Group would place his interests above its own, the Group aims to live up to that expectation. We will provide a copy of our conflicts of interest policy on request. Please contact us should you wish a copy of our policy.
- 18.2 We may, without further reference to you:
- 18.2.1 arrange or advise upon transactions in which we or any of our Group companies act as principal;

- 18.2.2 arrange, or offer advice on, transactions in which we or any Group company may have, directly or indirectly, a material interest which may involve a conflict with the duty we owe you. However, we will use all reasonable endeavours to ensure that any such conflict is resolved fairly;
- 18.2.3 acquire for you investments of which the issue or offer for sale has been underwritten, managed or arranged by us or any of our Group companies during the preceding 12 months; or
- 18.2.4 retain any profit, commission or remuneration made or received from or by reason of any transaction in which we have a material interest.

19. Changes to the terms

- 19.1 We may vary these Terms for any of the following reasons:
 - 19.1.1 to reflect a change in any requirements or guidance from HMRC or the FCA or any other regulatory authority;
 - 19.1.2 to reflect a change in the law, or a decision by a court or ombudsman;
 - 19.1.3 to enable us to make reasonable changes to the way the Account is managed as a result of changes in technology or in the systems used by us or by anyone appointed to provide administrative services in relation to the Account on our behalf;
 - 19.1.4 to provide for the improvement of any services or facilities we offer in connection with the Account, or the introduction of any new service or facility;
 - 19.1.5 to make these Terms clearer or fairer to you.
- 19.2 We will normally give you not less than 30 days' written notice of any change we make under this clause. If we are legally obliged to implement the change immediately, or by a date which does not leave us enough time to give you 30 days' notice, we will instead give you written notice of the change as soon we can.

20. Transfer to another provider

- 20.1 You agree that we may transfer (subject to any necessary FCA and HMRC approval) our rights and obligations under the agreement to another company provided we give you no less than 30 days' prior written notice.
- 20.2 We may appoint another company to be the provider of your Child Trust Fund under these Terms having given you 30 days' prior written notice. The new provider must be approved to act as a Child Trust Fund provider by HMRC.

21. Risk warnings

- 21.1 The value of the Shares held in the Account can go down as well as up and the Account Holder may not receive the amount of the original investment. The Shares can be affected by changes in interest rates and inflation, credit, political, social and economic factors.
- 21.2 These Terms and associated documents are based on our current understanding of HMRC practice, which may or may not change in the future. If HMRC practice does change in the future, this may have an impact on your and the Account Holder's tax liabilities.

22. Communication

- 22.1 We will send any notices or other correspondence to the address you have given us in the application form, or to a new permanent residential address provided you have notified us in writing of the change.
- 22.2 You should send any notices, instructions, or requests for further information, to us at:
RBS Collective Investment Funds Ltd, PO Box 915, Newport NP20 9PF.
Telephone 0345 604 4500.
- 22.3 If you telephone us then your call may be monitored/recorded for training purposes.

23. Third party rights

Nothing in the Terms confers or purports to confer on any third party any benefit or any right to enforce any term of these Terms.

24. Governing law and jurisdiction

- 24.1 If these Terms conflict with the Regulations then the Regulations will take priority and apply.
- 24.2 English law will apply to these Terms and to any communications between us under these Terms, and the courts of England and Wales will have non-exclusive jurisdiction over any disputes arising between you and us.
