Representative Example:

Representative 12.9% APR (variable) based on an assumed Credit Limit of £1,200. Standard interest rate for purchases: 12.9% p.a. (variable). Annual fee: £0.

The actual credit limit will depend on our credit assessment of you. The actual APR you'll receive will depend on your circumstances.

Our Pricing Policy:

We use your application details and information obtained from credit reference agencies to decide the APRs we offer to individual customers and the agencies will record our enquiries which may be seen by other companies who make their own credit enquiries. We do not offer a facility to calculate your APR before you apply. At least 51% of customers offered a credit card will receive our representative 12.9% APR (variable) and standard effective purchase rate of 12.9% p.a. (variable) and balance transfer rate of 12.9% p.a. (variable). The standard effective cash advance and money transfer rate for these customers will be 26.9% p.a. (variable). For other customers, the effective rate for purchases will be 18.9% p.a. (variable), the effective rate for balance transfers will be 18.9% p.a. (variable) and the effective rate for cash advances and money transfers will be 29.9% p.a. (variable).
