

# Help and support for your everyday banking

London Willesden  
branch closure  
7th November 2018

Facts correct as at 2nd October 2018

# The way we bank is changing

The world of banking has changed a lot lately and the changes show no sign of slowing down. These are some of the things we're experiencing that mean we can't offer the same number of branches as we have in the past:

- More people are doing their day-to-day banking online, by mobile app, or over the phone
- More people are even doing bigger things that way, like opening a business account or getting a loan
- Fewer people visit branches, and they do fewer transactions when they're there
- People often use a branch that is more convenient to them, and not one branch consistently
- People contact us in a variety of ways and today very few people only do their banking in a branch

- 
- Branch transactions are down by 30% since 2014\*
  - More than 3m mobile and online transactions in 2017\*
  - 53% increase in the number of customers using mobile banking since 2014\*
  - Mobile transactions have increased by 74% since 2014\*

\*Based on Royal Bank of Scotland England and Wales and NatWest Scotland.

## How we decide to close a branch

Closing a branch is a decision we take very seriously. Since 2012 in London Willesden branch we have seen the following:

- Counter transactions have reduced by 35%
- Only 16 customers are using the branch on a regular basis.  
Of these customers 25% also use other branches
- A total of 2208 customers visited the branch in the last six months.  
Of these customers 74% also choose to bank online, via telephony or at an ATM

### **We also consider a range of local factors over a long period (June 2012-2017)**

- How customers are choosing to bank with us
- How often customers are using the branch and what transactions they are doing
- Impact on customers who currently use the branch
- Other options available to customers including online, mobile, telephony, Webchat, cash machines, Video Banking and everyday banking services that can be done at local Post Offices®
- The proximity of our other branches, including our network of mobile branches
- Local transport routes and timetables
