How we decide to close a branch

Closing a branch is a decision we take very seriously. Since 2012 in Campbeltown we have seen the following:

- Counter transactions have reduced by 38%
- Only 37 customers are using the branch on a regular basis. Of these customers 27% also use other branches
- A total of 2196 customers visited the branch in the last six months.
- Of these customers 72% also choose to bank online, via telephony or at an ATM.

We also consider a range of local factors over a long period (June 2012-2017)

- How customers are choosing to bank with us
- How often customers are using the branch and what transactions they are doing
- Impact on customers who currently use the branch
- Other options available to customers including online, mobile, telephony, Webchat, cash machines, Video Banking and everyday banking services that can be done at local Post Offices®
- The proximity of our other branches, including our network of mobile branches
- Local transport routes and timetables

We'll help you with other ways to bank

This leaflet outlines your options when this branch closes. If you have any questions, please let us know and we'll do all we can to help.
